

For Immediate Release

Mike Gulotta of Deo Volente Farms and and Joe Thomson of Winbak Farms are pleased to announce that **Trixton**, the 2014 Hambletonian Champion, will stand stud at Winbak Canada in Ontario for the 2021 breeding season.

Joe Thomson, owner of Winbak farm said, “We are very happy and extremely excited to have the opportunity to stand a stallion of **Trixton**’s caliber here at Winbak Farm. He will be able to take full advantage of our revitalized program here in Ontario. The timing could not be better, as **Trixton** had 6 of his offspring race in the Breeders Crown Finals just last week.”

“**Trixton** is an extremely attractive value proposition, especially when you consider how well his offspring have been doing so far in 2020. Think about this: Cuatro De Julio would have equaled Walner’s world record had it not been broken two races prior. And his fillies have continued to be superb. I am confident that **Trixton** will be a top stallion and back on everyone’s radar in short order.” said Mr. Gulotta CEO of Deo Volente Farms.

When asked how he felt about **Trixton** being moved to Ontario, Jimmy Takter said, “History will show that **Trixton** will be recognized as one of the best stallions ever. He will dominate the North American market.”
